So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

# MOMENT OF SILENCE HONORING U.S. ARMY STAFF SERGEANT ALEXANDER W. CONRAD

Mr. BIGGS. Mr. Speaker, I rise today, along with my Arizona colleagues, to honor the life and sacrifice of U.S. Army Staff Sergeant Alexander W. Conrad from Chandler, Arizona, who was recently killed by indirect enemy fire while in support of Operation Octave Shield in Somalia.

Sergeant Conrad served as a human intelligence, noncommissioned officer and was assigned to the 1st Battalion, 3rd Special Forces Group.

Sergeant Conrad's decorated service included two tours in Afghanistan in support of Operation Enduring Freedom. He was posthumously awarded the Purple Heart and Meritorious Service Medal.

Mr. Speaker, Sergeant Conrad was one of Arizona's finest. He fought to free the oppressed and to ensure that all Americans live out their days in liberty.

Please keep his family, friends, and comrades in your prayers.

Mr. Speaker, I now ask that Members please join me and my Arizona colleagues for a moment of silence to remember U.S. Army Staff Sergeant Alexander W. Conrad.

# WICHITA ADVANCED LEARNING LIBRARY

(Mr. ESTES of Kansas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESTES of Kansas. Mr. Speaker, I rise today to commemorate the grand opening of the Wichita Advanced Learning Library on June 16, 2018.

The Wichita Advanced Learning Library has been a central project for Kansas' largest city since 2006.

After breaking ground on the project 2 years ago, it will be an honor to attend the grand opening of the library this Saturday.

The old library was built more than 50 years ago. At that time, there was no such thing as a personal computer, phones were simply used for making phone calls, and Wichita had a population of less than 250,000.

With the opening of the new library, Wichita and the surrounding region will now have a state-of-the-art facility ready to handle our growing population and advances in digital technology.

These advances will provide students with enrichment opportunities in all areas, including STEM, which is increasingly important for the workforce of the future.

As a member of the Education and the Workforce Committee, I understand the importance of education, and I am proud of the city of Wichita for moving forward with the Advanced Learning Library, allowing our students and community members of all ages to continue the pathway to a lifetime of learning.

# RECOGNIZING APRIL VASSELL AND NEVAEH PARKER

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise to recognize the wonderful accomplishments of two young women from my district. April Vassell and Nevaeh Parker were each selected to attend the United Nations Foundation's 2018 Women in Science, or WiSci, Girls STEAM Camp in Namibia.

The camp will bring together 100 high school girls from the African Continent and the United States for a 2-week intensive learning program.

This amazing camp is co-hosted by the U.S. Department of State and private partners. It brings girls together to help close the gender gap in science, technology, engineering, arts, and mathematics.

April and Nevaeh will have the opportunity to enhance their STEAM skills, grow as young leaders, and develop relationships with their sisters from Africa. These two young women and the other campers have a lot to be proud of.

I ask my colleagues to join me in recognizing their achievements, their potential, and success.

□ 1645

# TURKEY: FRIEND OR FOE

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)
